

NBI Corporate Bond Private Portfolio

Advisor Series

Category: Canadian Corporate Fixed Income

Investment Objective

To provide long-term capital growth and to generate high current income. The fund invests, directly or through investments in securities of other mutual funds, in a portfolio consisting primarily of investment-grade debt securities of Canadian companies. The fund may invest approximately 40% of its assets in foreign debt securities.

Disclosure

NBI Mutual Funds (the "Funds") are offered by National Bank Investments Inc., a wholly owned subsidiary of National Bank of Canada. Commissions, trailing commissions, management fees and expenses all may be associated with investments in the Funds. Please read the prospectus of the Funds before investing. The indicated rates of return are the historical annual compounded total returns which include changes in the value of securities and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The Funds' securities are not insured by the Canada Deposit Insurance Corporation or by any other government deposit insurer. For money market funds, there can be no assurances that a fund will be able to maintain its net asset value per security at a constant amount or that the full amount of the investment in a fund will be returned. The Funds are not guaranteed, their values change frequently and past performance may not be repeated.
