Ternion Wealth Management
Fixed Income Portfolio

June 2026

TWM Fixed Income

The Fixed Income Portfolio is designed to preserve capital and generate stable income by investing primarily in Canadian government and corporate bonds, preferred shares of large-cap public companies, asset-backed securities, and high-quality short-term instruments. With a value-driven approach, it aims to deliver lower-volatility returns through strategic allocation across durations, sectors, and instrument types, guided by macroeconomic insights.
